PENNARD GOLF CLUB

Here's what to expect:

Arrive at 9am for a coffee and chat with your fellow learners and your female golf coach, Nicola; and find out where everything is. Then go onto the practice area to learn a few of the basics, and out on the course to have some fun developing your skills. Enjoy a lovely lunch then back out onto the course, with Nicola and your friends. This is not the usual boring range lesson you get at most clubs when you want to try golf, this will leave you loving it and wanting to play more!
